MASCARIN – Syrah Rubicone IGT

Description:

100% Syrah from a single vineyard. An intense and powerful red wine with aromas of black pepper, dark chocolate, blueberry, and dark plum. On the palate, it is complex, warm, and enveloping, with soft, well-balanced tannins. A wine that evolves over time.

Pairings:

- Braised beef: The wine's power pairs beautifully with robust dishes like braised beef, enhancing the deep flavors of the meat.
- Lamb in blueberry sauce: Its full body and soft tannins complement dishes like lamb with sweet blueberry sauce.
- Game meats: It also pairs well with game meats, like venison stew, due to its structure and complexity.
